

Birthday Parties

At Lithia Springs Farm

Experience

We are so happy you are joining us for your/your child's special day. Every birthday experience at Lithia Springs Farm is different, because our animals are ever changing. We always want to make sure the birthday girl/boy gets a special experience on our farm. Certain times of the year we have baby pigs, goats, ducks, bunnies, or chickens. We will make your experience special for everyone, including your guests. Birthday parties include a full farm tour and a small activity.

Schedule and Flow of Party

We do not have a set schedule, but we do recommend the following flow for our parties. You can arrive 30 minutes before the scheduled party time to set up whatever food or decorations you bring. You are more than welcome to bring tablecloths, balloons and food along with your cake. Many people bring pizza and soda and of course cake or cupcakes. We do recommend food, presents and/or cake to happen after the farm tour. Once everyone has arrived, we will start the farm tour. Each of our animals are in separate areas and we will all travel as a group to feed and socialize with each animal. After we have visited with all the animals we move to the party favor activity (provided with the party cost). During this time, the host is usually arranging food or cupcakes. Once kids/guests have finished their party favor activity, it's time to eat and/or have cake. Lithia Springs Farm usually uses this time to assist in any way the host needs. We are here to make your party enjoyable! At the end of the party, you just collect what you brought. We will worry about trash and other garbage that may get left behind. Parties last two hours. We allow for 30 minutes after the party for packing up. We do have a sink and a bathroom on site. We ask that you wash your hands frequently to keep you and our animals safe.
